

Thanyapura Super Sprint 4-6 October 2019

Dear Swim Coaches,

The 2019 Thanyapura Invitational Super Sprint meet will take place from October 4-6th 2019 at our world class facilities in Phuket, Thailand. The event is open to all swim clubs/international schools in the Asian Pacific region.

The experiences had at the past editions, were well received. The enjoyable atmosphere was well reflected on the participants' and the coaches' faces, and make us optimistic that the Super Sprint will become one of Asia's Classic swim competitions.

Thanyapura's Aquatic Facility consists of a 3m deep, eight lane outdoor 50m swimming pool with a shaded grandstand area capable of seating 500, an adjacent eight lane 25m swimming pool for warm up and cool down, with additional toddlers and children's pool and play area. Thanyapura is certainly considered one of the finest aquatics facilities in Asia. Timing will be facilitated with the use of full Daktronics electronic timing system and latest Omega start blocks.

Not only are we here to provide a great environment for racing fast, but we also are focused on developing the swimmers and coaches of the sport. We will have a coaches meeting on Friday 4th of October at 6.30pm in the Lounge.

We hope to hear from you soon. If you have any questions, please feel free to contact us. We are looking forward to seeing you in October.

Yours in swimming,

John Gregory

Head Development Coach Thanyapura swim team
